President's Comments

At this point we are well into our flying season and I hope all you are having a great time with your most recent hangar queen - now your favorite plane. Hopefully you will have an opportunity to show off that plane our upcoming fun fly.

I know that this time of the year is vacation time and many of us will not be able to attend these events, but if possible try to be there and have some fun while supporting your club.

I was unable to attend the last club meeting at Squatrito field due to vacation commitments, but I was pleased to hear that our attendance was up and that members enjoyed our mini-picnic. Your club officers are always trying to come up with ways to increase attendance at our monthly meetings and we would welcome your suggestions. Please remember our next meeting will be at Hardyston field, we look forward to seeing you there.

July 2014 meeting minutes:

The meeting was called order at 7:30 PM at Squatrito field. Pat and Craig were absent.

Scott thanked Sparky for cooking at the barbecue preceding the meeting.

Committee reports:

Field: Squatrito was great flying shape. Mike Shauger pointed out that Squatrito needs a new windsock.

Squatrito Field access keys can be returned to Craig Miebach at 5 Hickory Road, Highland Lakes, NJ 07422. Please send in a SASE so that we can mail you back your three dollars.

It is a good idea to place the key between two pieces of cardboard. I have used padded envelopes without a problem.

You can also return your key to any club officer.

Safety: Be wary of bears at each of the fields.

Old business: The electric fun fly and 3-D fun fly is coming up soon. The dates are 8/23 and 8/24. Squatrito was rolled.

New business: Scott talked about recent information about first-person view flying from the AMA website.
